Thanksgiving Worship Service

Our Thanksgiving worship service will take place on **November 25 at 7:00 p.m**. It has been our tradition to celebrate the evening before Thanksgiving. Please try to make this worship service a part of your Thanksgiving celebration. Our Lord Jesus deserves honor, praise, glory, and *our gratitude* above all others
Consider the words we sing:
"Now thank we all our God with heart and hands and voices, who wondrous things has done, in whom his world rejoices; who from our mothers' arms has blessed us on our way with countless gifts of love, and still is ours today.

Christ Lutheran Women News

CLW met October 10th at 9am. We had a short meeting where we talked about the success of the women's retreat at Ferndale, and discussed moving it to August next year for a better chance at warmer weather. New business included the yearly calendar sales, the next Bible study for 2027, and a possible bulletin board to keep track of everything happening in the women's groups at Christ Lutheran. We then adjourned for the indoor cleaning day. A big thank you to all who helped! Our next meeting will be November 14th at 9am. Please consider attending for study and fellowship.

Decorating for Christmas

November 29, 2026 @ 6:30 p.m.

We plan to decorate our Christmas tree Sunday November 29th. Join us at 6:30 as we decorate the tree and share in fellowship. We will enjoy a warm cup of hot chocolate or coffee when we're done. Children are encouraged to come help out as we will also get the rest of the sanctuary ready for Advent and Christmas Worship.

We cannot know what's wrong if we do not know what's right…

Ponder the Words St. Augustine wrote in *City of God*

No one, therefore, need seek for an efficient cause of an evil will. Since the 'effect' is, in fact, a deficiency, the cause should be called 'deficient.' The fault of an evil will begins when one falls from Supreme Being to some being which is less than absolute. Trying to discover causes of such deficiencies—causes which, as I have said, are not efficient but deficient—is like trying to see darkness or hear silence. True, we have some knowledge of both darkness and silence: of the former only by the eyes; of the latter only by the ears. Nevertheless, we have no sensation but only the privation of sensation.
