## 2026 Summer Schedule Service and Fellowship Opportunities

The list below includes events pertaining to our regular summer schedule. Any changes to the schedule will be in our weekly bulletins.

- We are looking for those willing to **share a treat after worship on Sundays**. There is a sign up for each week on the resource table in the back of the church. Summer is a great time to reconnect with members and enjoy a treat before driving home on a bright sunny day!
- A special thank you to everyone who has already signed up for **lawn mowing** throughout the summer. We are also grateful for those individuals who have taken up cleaning responsibilities at the church. These are practical ways to serve that allow our focus to rest upon God's Word!
- Mark your calendar for **Vacation Bible School** in August. Classes will run August 10th through the 13th from 4:30 to 7:30 p.m. We already have volunteers at work putting things together. Please let Amanda Dalrymple know if you are willing to help out that week.
- **Bible study** will run *most* Wednesdays throughout the summer and we would love to have you join us! (Please take note of the calendar.) Study at Christ Lutheran is Wednesday night beginning at **7:30 p.m.** Men's and Women's study meetings will run at their regular times (unless posted otherwise) throughout the summer. Everyone is encouraged to join us.

### New Members at Christ Lutheran

We were pleased to welcome Curtis Gifford, Pd Strickland, and Patricia Polak to our church family. To share in fellowship with long time friends as well as new ones is a gift that transcends material things that will not last. Please make a point of introducing yourself to our newest members during Sunday fellowship!

### Ancient Civilizations class visits Shepherd of the Valley's St. Croix Falls

Some of you may know that one of our sister synod churches has a museum focused on the book of Genesis and creation. Our history students visited several weeks back. There is information on their church website if you are interested in learning more.
