## *He has Risen!*

The entire season of Lent leading up to Holy Week and worship Easter Sunday is a journey that draws us closer to Jesus. It is a journey to the cross and the empty tomb. A path walked together as God's children. Every part of the journey is important. As years race by the memories of this time together are like signs along the road. We remember the Words of our Lord, *"Again Jesus spoke to them, saying, "I am the light of the world. Whoever follows me will not*

*walk in darkness, but will have the light of life." (John 8:12) His light illuminates memories by making them part of a story that continues forever.*

Someday we will look back with full clarity and see how the hand of our Savior guided along a path to the place He prepared. Our time together in worship is

preparation for life together with Him. So we are told, *"And I heard a loud voice from the throne saying, "Behold, the dwelling place of God is with man. He will dwell with them, and they will be his people, and God himself will be with them as their God. (Revelation 21:3)*

## Christ Lutheran Women News

CLW met Saturday morning, April 11th, when we continued our His Marvelous Mercy Bible study, focusing on "Mercy for Mentors and Managers." We then had a short meeting where we discussed what a good job the men did serving Easter breakfast, and decided to donate the activity bags to each family with children, so they can fill them with whatever things their kids will enjoy. They are welcome to keep the books that are already in there. We then joined the outside cleanup workers for a potluck lunch. Once again, we want to remind all women...young, old, and in-between...that all are welcome to attend CLW the second Saturday of each month at 9:00 a.m.. If you have any questions, feel free to contact president Jan Jerabek. Submitted by secretary: Nancy Cook.
