Lenten Services

The gospel of John has been described as a book children can wade in and elephants can drown in. One way to stay afloat is simply following the basic patterns of Jesus teaching. One author notes, *"We can think of John's gospel, especially Jesus' discourses, as spirals. Important thoughts for our faith keep coming back to us, working stronger faith in us, as we follow the spirals upward."* We'll examine how the gospel of John enlightens our mind and guides us in understanding. The following list details the topics for each week.

1. Jesus is "I AM"
 2. Believe in Jesus and live forever
 3. Jesus was sent from God the Father
 4. Jesus and the Father are one
 5. We are to hold to Jesus' Word
 6. Jesus came to sacrifice His life
 7. Jesus brings light to the world
- (Below is one example of a "spiral" Others may be found in the appendix portion of *The People's Bible* "The Gospel of John" commentary by Northwestern Publishing House.
